

What do you mean by the term sorting? List the different types of sorting techniques.

Q - What do you mean by the term sorting? List the different types of sorting techniques.

Sorting is the process of arranging the data in ascending and descending order.

Sorting is any process of arranging items systematically, and has two common, yet distinct meanings: ordering: arranging items in a sequence ordered by some criterion; categorizing: grouping items with similar properties.

Types of Sorting Techniques

Bubble Sort.

Selection Sort.

merge Sort.

Insertion Sort.
